

Crown
Commercial
Service

Fleet Management

Procure Plus work in partnership with Crown Commercial Service to offer a comprehensive fleet solution to suit the customer. Working in collaboration to harness the leverage across the entire public sector, this arrangement will ensure that the teams out on the road are fully enabled to maintain the housing stock.

To find out more about this service and how we can help please contact us on **0303 030 0030** or email us on **support@procure-plus.com**

For organisations on the move, responding to repairs.
